The actor says that negotiations are still ongoing for his return in what will be his 7th featured role in a Marvel movie, and his 9th appearance as Tony Stark altogether. So he's careful not to confirm he is returning outright. When Ellen DeGeneres asks the question if there will be an Iron Man 4, Robert Downey Jr. responds: "I know there's going to be a bunch more Marvel movies. And they have big ideas of how to do it best, and we're in the middle of negotiation...".

His interaction included a potential spoiler about RDJ's possible return as his superhero character. According to the post, Robert was seen driving supercars around the White House.

Interestingly, this update comes amidst reports that RDJ has been actively shooting for his 'Dream Cars' project which premiered a while back.
